

North Tyneside SEND Local Offer

provides information for children and young people from birth to 25 years with Special Educational Needs and/or Disabilities (SEND) and their families.

North Tyneside SEND Local Offer brings together information in one place so young people, parents and carers can see the range of services and support available in their local area and understand how to access them.

In North Tyneside, we want to make sure that children and young people (from birth to 25 years) with Special Educational Needs and / or Disabilities (SEND) and their families get the best possible support and help when they need it.
